Hi Carl:

It is hard to tell how long it will take to build out the room. I was going to travel to PR for my SPCC inspection leaving from Niagara Falls. It is just too much. I wanted to propose a change at the end of the March schedule. I would stay for the second week instead of PR but just in case, I put you in from March 19<sup>th</sup>-March 26<sup>th</sup>. Can you do that switch? Also, I am not sure about working weekends with the construction crew but I just want to plan worst case. Please let me know.
